Through the browsing of this website, the following data can be collected and processed:

- Identification data, like IP addresses, name and domain of the computer used by the users to browse the website;
- Data voluntarily supplied by the user to access some services of supplied by the website (like: “Book online”, “Work with us”, “Newsletter”). The user expressly agrees the privacy policy, in particular they agree that the supplied data is transferred freely to third parts;
- Data about the use of the website by the user with the use of technical and analytical cookies (as outlined in the **Cookie Policy**).

The aim of the gathering of data

The main aims of the gathering of personal data are:

- To manage the correct use of the website;

- To proceed with the user requests (like the unsolicited applications);
- To process and evaluate anonymous statistics on the website use;
- To send further communication, periodic reporting statements, and direct marketing if the user has selected this option;
- To fulfill the European and Italian policy for the management, administration, accounting and fiscal matters;
- To ascertain any possible illegal operation led against the Data controller or third parts.

Method of treatment and Conservation period

Datas are processed with automated and manual tools, that guarantee their safety and privacy. Only allowed personnel can access the gathered data. The users data are hold to the extent required for gathering purpose and according to the limits assured by law. The criteria used to establish the conservation period are: 1. Time needed to fulfill the aims; 2. Time needed to fulfill the business relationship with the customer; 3. Time limit of the applicable law on the matter.

Communication and data dissemination

Only cooperators and employees authorized by the Data controller that need the data to supply the requested services can access the data.

The Data controller shares the personal information with some suppliers that are functional to the fulfillment and supply of the required services:

- Suppliers of IT services that support the website handling;
- Public and private agencies after inspections, checks, and handling of compensation, In order to fulfill legal obligations or public authority provision.

The third parts have been adequately chosen and guarantee the access to the data in full respect of the current rules about personal data protection and of the instructions given by the Data controller.

The users' data are not transferred abroad.

Safety measures

In order to reduce to the minimum the risk of data loss or destruction, we use adequate safety measures for the website. The conservation, processing and transmission of the data gathered through the website are handled with suitable safety techniques.

User rights

The Regulation UE 2016/679 for the privacy policy guarantees to the user specific rights:

- **Right to access:** you have the right to have a copy of your personal data released and subject to the GDPR;
- **Right to rectification:** you have the right to rectify your personal data if they are not up to date or correct;
- **Right to object:** you have the right to require that the Data controller stops to lead a specific treatment on your data under particular circumstances about yourself;
- **Right of limitation:** you have the right to request a limitation of the treatment of your personal data;
- **Right of data erasure (“right to be forgotten”):** you have the right to ask the erasure of your personal data. This right is subject to right or legal obligation: there is the need to evaluate the possibility to grant the request according to the law;
- **Right to withdraw:** at any time you have the right to withdraw your consent;
- **Right to address the Privacy Authority for privacy protection:** you have the right to address the Privacy Authority for privacy protection if you have any doubt about the personal data processing of the Data controller (<http://www.garanteprivacy.it/>)
- **Right of data portability;** you have the right to obtain a copy of your data in a structured, commonly used and readable format that could be easily transferrable to another Data controller.

Exercise of rights

The deadline for reply is one month, extended to three months for particularly complex cases.

Changes and amendment

The current document can be changed, considering amends and/or updates of laws or rules about personal data protection.

Therefore, we reserve the right to fully or partly change or amend the current Privacy Policy without prior notification.

Latest update: 05/02/2019 according to Regulation UE 2016/679.

COOKIE POLICY

Cookies are short text strings that are saved in the users' browser while they are surfing the internet. The current website uses cookies to make the users' surfing experience easier and more intuitive.

We use the following cookies types:

Technical cookies

They are usually temporary, they are memorized only during the surfing. Once the user quits the browser, the cookies are automatically erased and they are not memorized on the computer. These cookies are used to make the website access, use, and surfing easier, for example remembering the data supplied by the user to fill out forms on the website.

Third parts cookies

The analytical cookies of third parts are used to scan information about the users' behaviour, how they interact with the website, which sections are surfed, the time spent on the website, and other stats. The scan is anonymous in order to monitor the performances and improve the use of the website itself.

Social Network Plugin

During update the website could show plugins or buttons for social networks, in order to make content sharing easier on your favorite social networks.

The gathering and use of the information acquired through plugins are ruled by the privacy policies of each social network:

Facebook : <https://www.facebook.com/policy.php>

Youtube: <https://www.youtube.com/t/terms>

Twitter: <http://twitter.com/it/privacy>

Pinterest: <https://policy.pinterest.com/it/privacy-policy>

Linkedin: <https://www.linkedin.com/legal/privacy-policy>

Google Analytics: <https://www.google.com/policies>

This website does not install or automatically use any persistent cookies that allow the identification or the profiling of the user.
